

## **“Champions At Work”**

### **Wyoming SkillsUSA Certification of Contestants for Safety Training and Safe Machine Operation**

I (We) hereby certify that all contestants entered in the Wyoming SkillsUSA Championships have received industry accepted safety instruction and the specific safety training required in the SkillsUSA Championships Technical Standards for the area in which they are competing.

This is to include all tools and equipment that may be used in the contest to complete the project of skill demonstration. I also understand that the individuals conducting the contest have the right and duty to remove any contestant they deem necessary for safety reasons at any time during the contest.

I (We) further certify that all contestants are active members of the local chapter and have sent their state and national dues to the National Office on or before the March 1, 2006 deadline.

I (We) further certify that all advisors are active members (professional) members of the national and State SkillsUSA Association and have sent their dues to the National Office on or before March 1, 2006.

Although membership is not mandatory, we strongly encourage advisors to be current members of the Wyoming Association for Career and Technical Education.
