Name:	Enter the name of the Contest, either matching the NLSC Contest Name, or your own name for a State-only contest.
Code:	An abbreviation or acronym for the Contest.
Div:	The Division, entered as either 'P' for Postsecondary or 'S' for Secondary.
Team?	If this is a Team event that requires several contestants on a team to compete, check this box. Team Contests require each Contestant to be assigned a Team Code (A,B,C,etc.) and a Team Sequence (1,2,3, etc.)
Team Limit:	The maximum number of competitors allowed on a team. Enter the maximum number of competitors that can compete ON EACH TEAM.
School Limit:	The maximum number of competitors (individual OR teams) allowed from each SCHOOL. Use this value to prevent one school from sending more than 4 competitors, for example. Leave the School Limit set to ZERO for unlimited competitors from each School.
Station Limit:	The maximum number of contest or skill stations available for your entire Event for this Contest. For example, if you have only 25 Welding stations and want to allow ONLY 25 competitors, set the Station Limit to 25. Once 25 competitors register for this Contest, no more registrations will be accepted.
Distinct:	A number that is unique per contest, generally used to group the Postsecondary and Secondary contests together. For example, both the Postsecondary and the Secondary Welding Contest should be assigned the same number.
Notes:	Any user-defined note or comment about the contest (which will appear on the registration pages).
Fee:	If you want to charge a specific add-on fee for materials, consumables, etc. for a specific contest, enter an amount here.
Cat:	The Category field can be used to group similar Contests for subsequent reporting, most contests can be left at the default of 'Skilled and Technical Science Contests'.
